

## How to Support MB3 Through the Amazon Prime Smile Program

Amazon Prime now has a Smile charity donation program. If you are an Amazon Prime member you may have already noticed promotions for this program. Click on one of these or log into Smile.Amazon.com and follow their instructions to sign up, and select “Mission Behind Bars Inc” as your charity.

Then make sure to log into Smile.Amazon.com to do your purchasing instead of Amazon.com. If you forget and start ordering items, you can open another tab with Smile.Amazon.com and find your items by clicking on the cart in the upper right hand corner to get them to show up even if it shows zero items.

Once signed up, when you log into Smile.Amazon.com, you will see Mission Behind Bars listed in the upper left hand corner.

Only eligible items qualify for the program. To tell if an item is eligible, look for “Eligible for AmazonSmile donation” below the description and pricing.
